i-ceilings® Speaker Panels One (1) Year Limited Warranty

Please read the following terms carefully, as they are affected by the installation conditions. Armstrong does not assume nor does it authorize any person to assume or extend on its behalf any other warranty obligation or liability. This express warranty constitutes the entire obligation of Armstrong World Industries, Inc. and there are no other warranties expressed or implied, including any warranty of merchantability or fitness for any purpose whatsoever.

Armstrong's i-ceilings Speaker Panels are warranted to be free from defects in materials or factory workmanship for a period of one (1) year from the date of shipment to the customer (except for obvious defects in materials or factory workmanship, of which Armstrong must be notified within 30 days of the date of shipment). This limited warranty is subject to further conditions listed below.

All Armstrong limited warranties are subject to use under normal conditions. Abnormal Conditions include exposure to chemical fumes, vibrations, moisture from conditions such as building leaks or condensation, excessive humidity, or excessive dirt or dust buildup.

What will Armstrong do?

i-ceilings Speaker Panels returned and found to be defective, in Armstrong's sole judgment, will either be replaced (replacement products may be remanufactured or reconditioned devices) or repaired without charge. The replaced or repaired i-ceilings Speaker Panel is warranted for the remainder of the original warranty period.

What does this warranty not cover?

Damage which may occur from vibrations, fire, water, chemical fumes, freezing temperature, accident or any form of abuse, or exposure to Abnormal Conditions is not covered by this warranty. If the product is installed in, or subsequent to installation is exposed to, Abnormal Conditions (as referred to above), then it may support the growth of mold and mildew or otherwise be damaged. The growth of mold or damage under these conditions is not covered by this warranty nor is it the responsibility of Armstrong. If subject to Abnormal Conditions, the product should be removed immediately and replaced once the conditions of installation are normal. Armstrong is not responsible for defects caused by improper or unreasonable use, water intrusions, lightning or malfunctions when panels have been modified or operated in excess of their rated capacities, altered, serviced, or installed in an other than workmanlike manner. This warranty is void if the label bearing the Speaker Panel's date of manufacture is removed or defaced.

THIS EXPRESS WARRANTY CONSTITUTES THE ENTIRE OBLIGATION OF ARMSTRONG AND THERE ARE NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE WHATSOEVER. LIABILITY IS LIMITED TO THAT SET FORTH BELOW AND ARMSTRONG SHALL IN NO EVENT BE LIABLE FOR ANY INSTALLATION OR REMOVAL COST OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR PERSONAL INJURY.

Warranty Conditions

All Armstrong products shall be installed in accordance with written Armstrong installation instructions for that product in effect at the time of installation.

Installation of the i-ceilings Speaker Panels shall be carried out where the temperature does not exceed 120°F (49°C). These temperature conditions must be met throughout the lifetime of the warranty. It is not necessary for the area to be enclosed or for HVAC systems to be functioning. i-ceilings Speaker Panels cannot be used in exterior applications.

The Speaker Panel must not be used to support any other material except for mineral fiber installed for fire resistive assembly purposes in the thickness, density and manner according to Armstrong specifications.

How does state law apply?
